

# Mohammed Amine Belbachir

Senior Developer & WordPress Certified

With over 15 years of experience, I specialize in full-stack WordPress development, including custom themes and plugins, Figma-to-Divi/Elementor builds, performance optimization, troubleshooting, and SEO-focused implementations. My background also includes PHP (Laravel, Symfony), .NET/C# (ASP.NET, APIs), modern JavaScript stacks (React, Next.js, Vue, Node.js), Linux server management, and Python (Django, Flask, automation). I focus on delivering stable, scalable, and maintainable web solutions.
